Is there a new baby in your family? How about a wonderful one-year-old or a terrific toddler or two-year-old? If so, come join Dr. Sally on Thursday mornings to learn "tricks of the trade" for how to maximize time with your little one. Come away each week with new and different ways to fill your "toolbox of creativity." All parents, grandparents, aunts, uncles and cousins are encouraged to come and enjoy experiencing the latest research-based play-and-learn techniques that boost early development in all five areas: Cognitive, motor, social/emotional, language and self-esteem.
